Special Needs Advocacy Network, Inc.

Each year, SPaN Listing Members are required to meet 12+ hours of continuing education training and agree to SPaN's Ethics and Standards of Practice.

Metrowest Professional Directory Listing

SPaN advocates, educational consultants and other professionals are available to work with families, schools, and individuals. Areas of expertise and fees will vary since they are determined by individual advocates, and are not regulated by SPaN. Potential clients are encouraged to make thoughtful, informed decisions based on their own needs. The Special Needs Advocacy Network is not responsible for the performance of individual advocates or service providers.

Disability Focus: All Disability Categories
Available in these Regions: Boston, Central, Metrowest, Northeast, Southeast, West, Cape and the Islands, Boston

Attorney Boscarine practiced for years at a large global law firm as a corporate litigator, where she focused on state and federal trial and appellate litigation. She made a career shift after her older child was diagnosed with Autism Spectrum Disorder, moving from corporate litigation to working for families. She has two children on IEPs, one who attends a specialized out-of-district placement for children on the autism spectrum and one who attends an inclusion program. She has been selected to the Super Lawyer New England Rising Star list for her work in School and Education Law.

I am trained by the Federation for Children with Special Needs, serve on the SPaN Board of Directors, and serve as a special education surrogate parent for children in state custody. I have helped create IEP and 504 plans for children with ASD (high- and low-functioning), PTSD, complex trauma, ADHD, NVLD, learning disabilities, behavioral issues, and medical needs. When appropriate, I have secured out-of-district 45-day assessments and placements to ensure the child's progress. I focus on the child's best interests and strive to leave the parent-school relationship in good shape.

Please note I am currently not taking clients. Thank you! I am an advocate with the perspective of a teacher and school administrator who has worked with special needs children, their parents, teachers, and support teams in a variety of settings and at all grade levels. I am able to understand students' needs and to facilitate collaboration with school staff and administration to seek appropriate, and sometimes out-of-the-box approaches to meeting those needs. Additionally, my background includes legal training and experience as the parent of two exceptional children.

Kotin, Crabtree & Strong, LLP grew from its founders’ work as professional staff for the Massachusetts Governor’s office and Legislature, drafting Chapter 766 (M.G.L. c. 71B) in 1972. This initiative created comprehensive rights and protections for students with disabilities and served as the model for the federal special education law now known as IDEA. Since its founding in 1981, KC&S has represented thousands of families throughout the state in all aspects of special education matters.

PPAL is a statewide, family run organization dedicated to improving the well-being of children, youth, young adults and their families through education, advocacy and partnership. We work with both parents and professionals to do information/referral, trainings, support groups, and teach skills to navigate the maze. Our program expertise is in: co-occurring, juvenile justice, research, training, youth work, advocacy, multi-cultural outreach, transition age youth and family support.
Alicia M Parmentier Warren Esq.

Kotin, Crabtree & Strong, LLP
One Bowdoin Square

What do we do? Duffy and Associates Advocates Inc. provides superior service to the parents of children with challenges. We may be hired by a parent or guardian but we believe we work for the child. Our mission is to help children with challenges reach their greatest potential. An advocate works with the parents, the school, and any other needed outside sources to provide the best possible opportunities for our precious clients. By taking a holistic, beyond the classroom approach we believe each child can reach their greatest potential. It takes a village to help a child reach beyond the effec

I am a Ph.D. Neuropsychologist and the director of the Weaver Center, established in 1985. I provide expert TEAM advocacy, mediations and testimony for students with average and above functioning learning, attention, organization and social deficits. Weaver Center has highly experienced clinicians who provide multidisciplinary, comprehensive, strength-based, Neuropsychological evaluations for three decades. I have severe dyslexia, ADHD, EFT and memory based learning deficits that it provided the basis for my passion in working successfully with students, families and adults, couples for years.
